### Painting Instructions

Base the banner with Santa Red and shade with Antique Maroon. Shade again with Soft Black. The dark dots in the top section of the banner are Soft Black.

Float lines for the edges of the middle section of the banner with Snow White. The snowflakes and white dots are Snow White. Base the word Santa with Snow White. The dots on the word Santa are Antique Maroon. Shade around the word with Soft Black.

Base the holly leaves and vines with Foliage Green and shade with Plantation Green. The leaf veins are Plantation Green. Highlight the leaves with Snow White. The red berries are Santa Red. The white berries along the vine and around the leaves are Snow White.

Base Santa's face with Flesh Tone and shade with Antique Maroon. Float the highlight lines on the cheeks and nose with Snow White. The eyebrows and highlight dots on the cheeks are Snow White. Base the eyes with Lamp Black and the pupil of the eyes with Snow White. Using your Fandango brush or a liner brush, do strokes of Snow White to create Santa's hair and beard hairs. Now do strokes of Fawn on the beard. Base the mustache with Snow White and shade with Fawn. Use your liner brush to create hairs on the mustache with Fawn. The mouth is Soft Black. The lip is Flesh Tone and shaded with Antique Maroon.

### Finish

Spray with acrylic matte finish. Add hanger as desired.
