

HOLIDAY Edition TEAMWORKS 2021 - 3 Month Supply List

The supply list is only a guide. You may add, delete or substitute to fit your personal preferences on each project. This is not meant to be a stressful activity, you can always take notes on things you don't have the colors for and come back to it. Because of the shortage you may be forced to work with what you have on hand. If you need help with color selections we can help.
